Meet April N!

Trained by Redken in New York City, an Aveda hair color educator and trainer, and a Reiki Master, April N. continues to grow professionally in her field with over 14 years of experience.

“The Beauty Industry is a perfect fit for me. You can choose from a wide variety of beauty and wellness services. Not only do I have the opportunity to be creative and help a guest to look their best, but I am able to fulfill my own joys by making them feel great inside as well!”

April N. says her must-have product is **Aveda’s Confixor**, a liquid gel with a light hold. “It is universal for any hair type, adds shine, and smells wonderful!

Place a pea to dime-size amount of **Confixor** product in the palm of your hand and rub both palms together and through the fingers. Apply to the back of the head first, then the rest of your hair. Blow dry completely.”
