Policies: Brides services must be paid in advance to guarantee appointments. A one week notice is required for cancellation of any bridal party appointments. The bride (or contact person) is responsible for payment of appointment changes or cancellations made after the cancellation deadline.

Due to WI State Law **No alcohol** is allowed in the salon.

Services may be offered on-site for an additional cost, however we do offer a relaxing and professional atmosphere at Bravo Salon & Spa where our team of professionals can accommodate your salon and spa needs.

It is required that all attendants (or guests) arrive 15 minutes before their scheduled appointments. We are not responsible for any service rendered if the client is late.

For all formal and specialty style appointments, we require hair to be **DRY**. It will cause scheduling problems and cost more if the stylist has to wash and dry the hair prior to the service. We also recommend wearing button-down shirts for all formal and specialty style appointments.

Please note that trial appointments (hair, makeup, ect.) are not complimentary. The pricing for the trial appointments is the same as on your wedding day as it does require the same amount of time and service.

You may bring non-alcoholic refreshments for your guests as well as utensils, napkins, and plates. Please check with Camille's next door if you wish to have your breakfast catered.

All prices are subject to change.
